

Hello!

Thank you for your interest in a Junk 2 Funk (J2F) party! Below you will find some important information about hosting a party at Trashcan Lid Productions' studio in Eliot, Maine. Also below are directions to the studio.

Please note that a GPS will NOT get you here! The provided directions are very specific and easy to follow.

If for some reason you can't find your way, please contact Jeff at 603.502.5886

Things To Consider When Hosting A Party At Trashcan Lid Productions (TLP)

- It's a good idea to bring two bunches of helium balloons, one to put out by the road and one to put outside my studio door. This will make it easier for your guests to find us.
- Please please please encourage your guests to use the directions provided below. Their GPS will NOT get them here! It's not a bad idea to leave a little extra time just in case you can't find your way.
- You are welcome to arrive up to 30 minutes before your party begins to set up.
- There is a large counter for you to use for cake, pizza, snacks, etc. We have a freezer for ice cream and a refrigerator for drinks, veggies, etc.
- There are two pizza joints nearby.
 - Pizza Market (207) 439-2555 (1 mile away; they DO NOT deliver)
 - Riverside Pizza Company (207) 439-6366 (they DO deliver)
- There is also a table for gifts and cards. We typically don't have time to open presents so please email or call ahead of time if you'd like to build in additional time for that.
- If you want the kids to make a maraca during the party that they can take home with them please bring an empty beverage container for each participant that has been rinsed out **and completely dried**. I have everything else here to make maracas. The best way to dry bottles is to shake out most of the water and place them upside down in a dish rack for a few days. The reason the bottles need to be completely bone dry is because if they are at all wet, the rice we pour inside of the bottles will stick to the sides and diminish the function of the instrument. Please bring the caps to the bottles as well!
- If your party occurs during the winter months, you might encourage folks to wear an extra layer. The studio is heated and most of the time it's comfortable but on those extremely cold days it can be a little chilly.
- In the summer, dress light as the studio is not air-conditioned.
- And just a friendly reminder that the balance is due in cash the day of the party. ☺

If you have any questions for me, please don't hesitate to call or email!

See you soon!

Jeff

Directions to Trashcan Lid Productions

IMPORTANT NOTE: Do NOT trust your GPS to get you here or you will wind up in the wrong place. Please use the directions below. They are very specific. Thank you!

From the Seacoast:

Take I-95 to the exit for Rt. 236 towards South Berwick. If you are traveling from the North, it's exit #2 (at end of exit ramp, turn left onto Rt. 236 North). If you are traveling from the South, from NH, it's exit #3 (bear right at the fork after exiting I-95 and follow the ramp as it curves to the right. At the top of the ramp take a right onto Rt. 236 North).

Take Rt. 236 North towards South Berwick. Pass through the first traffic light shortly after getting onto Rt. 236. At the next light, about 2 miles from the 1st light, an Irving gas station will be on your right and the Eliot Commons on your left. Reset your odometer at this traffic light and drive exactly 1 mile, still heading north on 236 towards South Berwick. At exactly 1 mile, ELIOT BUSINESS PARK will be on your right indicated by a large granite sign bearing its name. There are two entrances to the park. Turn right in the driveway after the ELIOT BUSINESS PARK sign. You will immediately come to a fork in the road. Bear right. TLP Studios is #11 on the left. On most days, you will see the Trashcan Lid Productions trailer parked directly across from our unit.

From the Berwicks & Dover:

Travel South on Rt. 236 towards Kittery. When you get to the traffic light at Marshwood Jr. High School (Depot Road), reset your odometer. ELIOT BUSINESS PARK is exactly 1.1 miles (from the light) on your left. There are two entrances to the park. Turn left in the driveway before the ELIOT BUSINESS PARK sign. You will immediately come to a fork in the road. Bear right. TLP Studios is #11 on the left. On most days, you will see the Trashcan Lid Productions trailer parked directly across from our unit.
